

ENVIRONMENTAL POLICY

NRG is a subsidiary of Gestetner Holdings PLC, which is owned by Ricoh Company Ltd of Japan. NRG is based in Northamptonshire and provides the Financial, Administration, Servicing and Marketing operations for the UK.

Our main activities are the Marketing and Technical Support of Office Solutions i.e., copiers, facsimile, printers and associated networking and software solutions.

WE WILL ENSURE THAT THE HEALTH, SAFETY AND WELFARE OF THE PUBLIC AND ITS EMPLOYEES AND THE PROTECTION OF THE ENVIRONMENT ARE PRIMARY CONCERNS IN CARRYING OUT ITS ACTIVITIES.

This objective will be achieved, by continuous improvement, through the use of an Environmental Management System to control, monitor and set targets to reduce stress on the environment.

NRG will:-

Meet and where possible exceed all statutory requirements for environmental protection.

Consider the impact of our activities on the environment; aiming to prevent pollution; utilising resources effectively; reducing and disposing of all waste in a responsible manner.

Ensure waste is disposed of in accordance with all current legislation.

Provide training to increase environmental awareness to all employees.

Our Environmental targets are:

Energy Consumption: Gas/Electricity - Waste Paper & Cardboard Reduction

These objectives and targets are periodically reviewed and revised, taking into consideration the changing needs of the business and the views of any interested parties.

We are also aware of and support our Parent Company's Environmental Policy, which states:

As part of our fundamental business principles, we recognise environmental conservation as one of the most important missions given to mankind and we endeavour to integrate it as a key element in all our business activities. We therefore willingly accept our responsibility for environmental conservation and direct this approach on a company-wide basis.
